CALL THE LABORERS

The construction industry is extremely challenging and finding a competitive advantage, let alone your next project, isn't easy. At the Laborers-Employers Cooperation and Education Trust (LECET) Southwest, we know that the Laborers' success goes hand-in-hand with yours. We are here to help you succeed.

By cooperating with signatory employers, the Laborers provide the best trained, hardest working people in the industry. But that's just the beginning, the Laborers go even further. We can help you find your next project, perform it safely, and complete it on time and under budget. No matter what the issue is, the Laborers are here to help.

- Project tracking and alerts
