Laborer-Contractor Partnerships | Feel the Power

DISCOVER A WORLD OF PROJECT OPPORTUNITIES WITH MEPC

- LIUNA and LECET offer qualified signatory contractors the most powerful project lead and alert service in the construction industry

THE MEPC ADVANTAGE

- Project Alerts Custom Fit to Your Company's Needs
- Secure, Online Profile Management
- Comprehensive Project Monitoring

HOW DOES MEPC WORK?

- Go to mepc.lecet.org
- Simply complete a company profile that allows our system to find the leads that best fit your needs. Information includes:
 - Locations in Which Your Company Works
 - Project Valuation Range
 - Type of Work Performed – From water lines to bridge work, select from a broad range of job opportunities
 - Choose between daily or weekly notifications and MEPC will automatically send you leads filtered through an extensive index of construction information

Never Miss A Lead Again

MAXIMIZE YOUR PROJECT RESEARCH AND BUSINESS DEVELOPMENT EFFORTS.

- With MEPC you no longer have to comb through hundreds of bids and batches of project information in your area only to find few opportunities that fit your needs.
- MEPC delivers actionable information alerting you to millions of dollars' worth of valuable bid opportunities, tailored to your company's interests and capacity.
